

Tested TH FREE!!

Homozygous Black • DOB: 1/21/05

BW: 80 lbs. unassisted

Sire: Full Flush • Dam: 602 Chill Factor

HIS NAME SAY'S IT ALL!!!

This Full Flush son out of the legendary 602 Chill Factor cow could just be the ticket. **Full of 602** not only has all the right parts, he has a huge pedigree to back it up. Like his mamma . . . he has the power, volume, body, style, soundness and mega hair. He is **Full of 602**.

(Stockman 365/Maine)

DOB: 3/15/06

BW: 90 lbs. unassisted • THC

Christy Collins

DSUL 6651
Up Grade

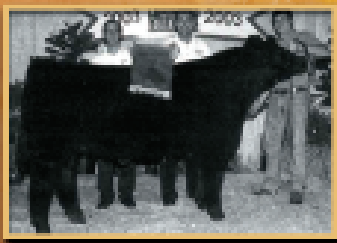

**All the power, yet in
a big volume package!!**

The Famous Sullivan 6651 has produced four State Fair Champions in the past four years and 8 donor daughters currently being flushed. One daughter produced the Supreme Champion Female at the 2007 Iowa Beef Expo.

DSUL Up Grade isn't your typical bunched up, stout little freaky bull. What makes DSUL Up Grade unique from any other club calf bull being promoted is his - size, extension of neck-rib, body, volume, bone, hair, huge hip/top and all in a beautiful big sound package. Not to mention his royal pedigree, Sullivan's 6651. No other cow since the famous Super Mom with her State Fair Champions and AI Sire Sugar Ray has stepped up to the plate with this kind of proof.

DSUL UP GRADE - He has been called the club calf bull, with the purebred look.

Full brother to Up Grade.
Tennessee State Fair

Maternal sister to Up Grade.
Indiana State Fair

Full brother to Up Grade.
Tulsa State Fair

Full brother to Up Grade.
Kansas State Fair

We Got The Smoke . . .

Hoo Too is a new young sire that is already proving himself as a consistent sire of Smoky calves and is making quite a stir. Sired by Hoo Doo Crook and out of MCF's most famous cow family. This exciting new Smoky bull does it all. He sired the 2005 Jr. National Champion Charolais Steer. His first 7 daughters sold for an \$8,207 average at MCF Fall 2005 sale. He has already produced an AI Sire son Hoo Bear, that Sullivan Ranch and Mid Continent Farm are also promoting. He is a stout, big boned, moderate sized bull that we think a lot of.

If you want to produce some stout Smoky steers or cool, deep maternal females, you have to take a look at Hoo Too & Hoo Bear.

The Smokey Thing Is HOT!!

DOB: 9.17.04

BW: 88 lbs. (unassisted)

Sire: Full Flush

Dam: Calamity Jane

Tested TH Free!!

*Calamity
Jane*

The first Smoke Signal calves arrived this past fall and are creating quite a buzz. With only a few calves born, Smoke Signal is quickly proven to be the next great Smokey bull. He works best on Heat Wave, Heatseeker, Playboy (type of cows) and Maine cross cows.

Are you getting the signal? It's Smoke Signal!

We've been looking for a purebred Charolais bull to produce clubby smokies. We wanted a smaller framed, deep bodied white bull that still had the extra bone, big top and butt that it takes. To be really picky he had to be cool fronted, square hipped and possess that club calf look! Then we ran across White Warrior and we knew we had what we've been looking for.
