and your attendance at our sale.
Travel safely and enjoy the sale!**

Welcome to Our Programs, Our Lives, and The Priority One Sale!

Dear Friends and Show Calf Producers:

Thank you for taking the time to review our first sale offering. We are busy preparing for your arrival and working with the cattle as the sale approaches. We can't wait for you to see them, so be sure to stop in anytime you are in the area. They look fantastic!

We have been building for this event for several years, and we feel like we are finally prepared. For the past decade I have been searching the countryside to add the best females to our herd and to see what pedigrees are really working. I feel like my numerous visits to other herds and many stock shows have given me a unique vantage point and the opportunity to learn from others' successes and shortfalls. I have used this advantage to build this herd of cattle which we have enhanced through careful selection and AI over the years. Our herd now numbers in excess of 350 production cows and it is only now, after many years in the business, that I feel like we have the depth of quality to allow us to sell a group like we will sell this January 31. This set of females is no accident and they are a deep cut from the heart of our herd.

It worked out well to be able to partner with our longtime friend and neighbor, Dan Sullivan, for this event. Our offering consists mainly of bred cows of a similar style and nearly all of them are bred to our senior herd sire, Hollywood; so Dan's offering of AI-bred heifers and strong ET concentration makes a for a great match. We'll be proud to compare this set of cattle to any you will find when it comes to depth of quality and producing ability. The cattle will make your trip worthwhile!

Winter can be long and this one started out rough. Things have been improving here lately, and we are excited for our spring calf crop. I hope you can take a break with us in Dunlap on January 31, and I hope you'll take several cattle home with you. Be sure to stick around for the after party in Dunlap!

A huge thanks goes to my parents – Randy & Cindy – for their years of support and assistance of all kinds. Likewise, another giant thank you goes to my wife, Melanie, and our kids for putting up with all of my nonsense and the many hours away from home. I can't do it without a great crew and I sure need to thank Aaron, Dana, Bart and the rest of the crew for their work with the cattle. Your help means a lot!

Please call if you have any questions or if I can help in anyway,

Adam Pryor
(712) 647-8898

Dear Friends and Cattlemen:

Thanks for your interest in our 2009 bred heifer and bull sale. I am excited about joining the Pryor family this year, and I am proud of the cattle we will present. I think it will be very hard to find a sale that offers a better combination of bred heifers and bred cows of better quality than what we will offer this year. Our combination with Adam allows us to increase our level of quality to make more of the good stuff available to you.

Our offering of bred heifers and this special selection of bulls represents the best DSUL-brand stock we have been able to offer to date. Our 2007 Spring Cow Herd Dispersal was outstanding, and we thank you for your support there. Many of the females selling here are daughters of the donors we featured in that sale. The strength of the Sullivan Ranch cow families will be evident in this offering as the power of our best females really shines through in the offering. Whether it is on the top or the bottom of the pedigree, you can see the quality in these young cattle that are produced from our most proven stock. Past experience gives us confidence in their ability to become top producers for you.

Thank you to Jerry Talsma and all of the crew at Sullivan Ranch for their hard work. And, thank you to you – our customers – for your continued support and interest in our genetics. We've got a special treat for you this January in Dunlap – our best-ever offering of young females and bulls – and I sure hope you can make it. Feel free to call anytime about the cattle.

Happy New Year,
Dan Sullivan

Welcome to Hollywood!

Selling two full brothers, three daughters, and six frozen full sibs plus more than 40 females carrying his AI or natural service!

Hollywood – Senior herd sire at Pryor Show Cattle

Lot 1A

Lot 1B

Produce of Pryor Donor 183

Lot 1A – Pryor Ventura 183

Bull Calved: 2/12/08 183

Sire: **HEAT WAVE**

Dam: **DRAFT PICK X ANGUS**

BW: 91 TH/PHA Pending

The first two powerful full brothers to Hollywood - we think you'll find at least one to love here. Ventura is the older of the two and is very stout, mobile, and massive. His size, extension, hair and muscle shape are top of the class and he never misses a step. His brother has been a trendsetter and a leading revenue producer for us. His 2008 crop on our farm produced 31 calves that sold in our 2008 Pasture Sale for a \$6,200 average with six steers over \$14,000 each.

Lot 1B – Pryor Pasadena 183-1

Bull Calved: 3/15/08 183-1

Sire: **HEAT WAVE**

Dam: **DRAFT PICK**

BW: 86 TH/PHA Pending

The younger full brother to Hollywood, this bull is extremely thick with a deep, chubby design. He too moves with ease and is extra deep ribbed. Semen from his brother has been hard to keep in stock, and we anticipate the next few years to be even better than the last for this family of cattle. A full brother to these two bulls sold for over \$25,000 last spring in Texas. This pedigree breeds on and on!

Embryos of Pryor Donor 183

Donor Sire: **DRAFT PICK**

Donor Dam: **ANGUS**

Lot 1C – Three embryos by Heat Wave

Available for pickup sale day – At least one pregnancy is guaranteed when terms are followed

Lot 1D – Three embryos by Heat Wave

Available for pickup sale day – At least one pregnancy is guaranteed when terms are followed

Full sibs to Hollywood, Pasadena, and Ventura plus two more sons by Heat Seeker that sold for \$5,000 and \$7,000 in past Pryor Pasture Sales plus a top-seller for Campbellco, OH (produced from a Frozen Gold embryo purchase) that later sold for more than \$25,000 in Texas last spring. Other full sibs to Hollywood include a \$9,000 steer and a \$12,000 heifer – both were consistent winners. We can't share too many of these but they are a special feature of this first offering!

PRYOR SHOW CATTLE

HEAT WAVE

FAWL MA X AN X CA 100
MEYER RANCH 734

DSUL LEXUS 904

ANGUS

Homozygous Black - Tested THC/PHAF by pedigree

Selling full possession and one-half semen interest.

With dispersal of the Sullivan Ranch Spring Cow Herd plus the drastic reduction of females in the fall program there is no longer as much need for bulls like this powerhouse, so we're selling two of our best herd sires plus our most promising young bull in this sale. Let our loss be your gain as we're serving up a turn-key opportunity to make fast and dramatic genetic improvement in your cow herd with the purchase of full possession and one-half semen interest in Tidal Wave, the great Heat Wave x Lexus 904 combination that has done a great job for us. Quality surrounds this herd sire. One look is all you'll need with him. His calves have been excellent though we really haven't worked him too hard, his donor dam is an awesome producer, and full brothers and sisters are some of the best cattle we've produced. His dam is a Frozen Gold donor whose parade of power started with a way-cool daughter, DSUL Sheza Lady 4904, by Ladies Man that was a crowd favorite of the 2006 Sullivan Ranch Genetic Progress Sale where she topped the bred heifer division at a \$19,500 valuation to Mid-Continent Farms and Greg Sanders, KS. The 2006 full brother to Tidal Wave, DSUL Hotel California, sold one-half interest to Geist Cattle, CA, and was one of the most popular bulls on display at the 2007 National Western Stock Show. Tidal Wave and the 904 donor offer consistent, extreme success that you do not find very often!

Embryos of DSUL Lexus 904

Donor Sire: MEYER 734

Donor Dam: ANGUS

Lot 2B – Three embryos by Heat Wave

Available for pickup sale day – At least one pregnancy is guaranteed when terms are followed

HOODOO SANDCREEK 9045

HOODOO LIZZY Z2069

MS HOODOO GEORGIE-BOY Z8068

Tested THF/PHAF by Pedigree

Selling full possession and one-half semen interest.

Another power source from the Sullivan Ranch herd bull battery, McSteamy is a direct son of the great Sullivan Ranch donor, Hoo Doo Lizzy 2069 – the female that many consider to be the greatest registered cow to ever leave Hoo Doo Ranch. He represents your next chance to obtain proven sire power from the strength of another of our best cow families. McSteamy is a maternal brother to DSUL Lexis, the unstoppable force shown by the Elder family on the Midwestern show scene last season that claimed titles such as Champion Charolais of the 2007 Iowa Beef Expo, Champion Charolais Female of the 2007 American Royal and the Iowa State Fair, and Reserve Champion Charolais Female of the 2007 Aksarben Livestock Show and NAILE. Two outstanding maternal sisters sell here as Lots 62A and 62B and consider that the first flush of 2069 was to Hoo Doo Prince and produced three calves – DSUL Lexis, DSUL McSteamy and DSUL McDreamy, another popular DSUL herd sire. Another heifer by Lifeline was a winner for Spencer Roberts, Gober, TX, and yet another sold for \$6,300 in our 2007 Spring Cow Herd Sale. This family gets more valuable every day!

Hoo Doo Lizzy 2069

Introducing Pryor Donor 507

Pryor Donor 507

4

Produce of Pryor Donor 507

DONOR FEMALE PEDIGREE:

Sire: IRISH WHISKEY

Dam: BK ICE PICK X ANGUS

For Reference Only – Selling the right to flush plus one confirmed pregnancy

Lot 4A – The Right to Flush Pryor Donor 507

Terms of the Lot 4 Flush: The winning bidder may flush Donor 507 to the bull of their choosing. The flush is guaranteed to produce a minimum of eight (8) transferable embryos and three pregnancies with no cap. Buyer will pay 50% of hammer price on sale day and is responsible for all semen and flush expense.

Lot 4B – Confirmed, Unsexed Pregnancy of Donor 507

Sire: Hollywood Due to calve March 7, 2009

An extreme female for extreme results! This young powerhouse is already a legend in the Pryor pastures with more than one standout to her credit. We knew she was something special when she entered production, but she didn't realize her potential until her 2008 ET crop by Hollywood arrived. Her three calves last spring included the solid-red top-seller of our 2008 Pasture Sale at \$22,250, his \$10,000 full sister, and another super-freak son that has been retained for use in the Pryor herd. We'll display her sale day to show you why she works so well!

PRYOR SHOW CATTLE

Important Sale Information:

Terms: Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All registered cattle sell with the standard guarantee endorsed by their respective breed association. All claims on bred females must be made in writing within 60 days of the sale date, and any adjustments made will be in the form of sale credit on future purchases. **Insurance:** Livestock insurance will be available at the clerk's desk through Great American Insurance. **Trucking:** If you require assistance in transporting your purchases please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager takes precedence over any printed materials. **Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

Well-Bred Herd Sire Prospects...

5

DSUL Manly Man 821

Bull Calved: 3/12/08 821
 Sire: WHO DA MAN (WHO MADE WHO)
 Dam: DSUL KAEJA 21 (HEAT SEEKER X SULLIVANS 6651 by STOCKMAN 356)
 BW: 98 Tested THF/PHAF

Selling full possession and one-half semen interest.

The hottest pedigree in the program and one of the hottest in the business, the Manly Man is ready to fill the shoes of his recently deceased sire. He is an ET product of the \$28,000 DSUL Kaeja that is an extremely productive full sister to DSUL Upgrade, past Tulsa and Kansas State Fair Grand Champion Steers, and all of the other great winning cattle from the 6651 family including the 2008 Hoosier Beef Congress Reserve Supreme Champion Female and the Supreme Champion Female of the 2008 NE AGR Preview. Manly Man's photo was taken long ago – you need to see him now – and he has done everything right since then. He is complete and flashy and built with power and pizzazz and a THF/PHAF pedigree, to boot!

Pryor Big Talker 202

Bull Calved: 2/15/08 202
 Sire: HOLLYWOOD
 Dam: PRYOR DONOR 202 BY WHO MADE WHO
 BW: 84 TH/PHA Pending

Selling full possession and two-thirds semen interest

An awesome breeding piece from the well-accomplished 202 donor, this giant legged Hollywood son can walk the walk and talk the talk! He is extremely chubby and cool with unreal hair and a classic look of quality. His potent dam is Sullivan and Pryor's great 202 donor that ranks at the very top of the herd when it comes to consistent performance and profit. Brothers to Big Talker were the \$26,250 multiple-champion shown by the Peterson family, CA, and his \$19,250 full brother that won several times – including the Missouri AGR Preview – for the Russell family, IA. Walks, talks, read, writes...get in.

7

Pryor Fargo 635

Bull Calved: 3/15/08 635
 Sire: NORTHERN IMPROVEMENT
 Dam: FULLBACK X MEYER 734 X ANGUS
 BW: 77

Fargo 635 is a calving ease and maternally oriented special! He was calved unassisted from a valuable first-calf heifer whose pedigree is stacked with maternal excellence from Fullback and Meyer 734. She is as valuable as any young female we own. This bull has done nothing but perform and improve since birth. He is deep and wide and very correct and eye appealing. He offers valuable calving ease with strong performance with a look and pedigree that will add value to all of his calves.

Lot 8

8

Hard Hairriet 21U

Female - Elig MaineTainer or Chimaine Calved: 4/10/08

Sire: **HARD CORE**

Dam: **WAG HAIRIETTA BY WHO MADE WHO**

Sells open – Selling one-half interest with the option to double hammer price to acquire full interest

Seller retains 10 embryos if full interest option is chosen

A young maternal gem with the looks of a champion showpiece, Hard Hairriet is the only Hard Core daughter from Gateway Genetics' unbelievable Hairietta donor that has now produced in excess of \$650,000 and is without a doubt one of the most consistent and valuable females the show cattle business has ever known. This heifer looks the part and will be worth whatever she brings and more; it's hard to measure them when they are this young and this valuable.

Hara's Miss USA

Hairy

9

Kate Spade 24U

Female - Elig Chimaine Calved: 3/25/08 24

Sire: **WHO MADE WHO**

Dam: **JAVA X ANGUS**

Sells open

It hurts to sell this one, so don't be surprised if we keep a piece of her once sale day rolls around – we've been fighting the temptation. When you see her you'll know why; Kate Spade is simply gorgeous and right for the times. The looks, the movement, the size - and she is TH/PHAF with unlimited breeding and show potential. Kate is the real deal. We have resisted offers to sell more than one of these heifers in order to keep them for the Priority One.

Lot 9

Lot 10

10

Peppermint Paddy 22U

Female - Elig Maine-Anjou Calved: 3/20/08 22

Sire: **PADDY O'MALLEY**

Dam: **STRICTLY BUSINESS X SIMMENTAL**

Sells open – PHA Pending

The only thing better than how Peppermint Paddy looks is how she is bred. Her donor dam is a full sister to Sara Feigis' multiple-champion Business daughter that is now a donor for McDaniel Cattle Company, IA, who's 2008 daughter by Manchild sold for \$51,000. This heifer calf will make a fantastic high-Maine breeding heifer and she rivals our stoutest cross-breeds when it comes to striking good looks, body shape, and potential.

11

Laguna Gal 149U

Female - Elig Chimaine Calved: 4/15/08 149

Sire: **HOLLYWOOD**

Dam: **MEYER 734 SON X MA X AN**

Sells open

Look for this big footed, stout youngster whose dam sells as Lot 35!

12

Silver Sidney 31U

Female - Elig Chimaine Calved: 3/23/08 31

Sire: **HEAT WAVE**

Dam: **CHAROLAIS**

Sells open

We missed some of these young cattle at photo time due to some bad weather, so be sure to find them at the sale. This smokey heifer is one we know you'll like!

14

Laker Gal 27U

Female - Elig Chimaine Calved: 4/16/08 27

Sire: **HOLLYWOOD**

MGS: **MEYER 734**

Sells open

This April Hollywood daughter is real stout and eye-catching and one of the best we have to offer! Sorry we didn't get her pictured, but we doubt it will matter. She is the real deal in terms of hip, rear leg, body, and good looks. Her maternal brother won the Nebraska State Fair Steer show in 2005.

A Deep Cut from the Pryor Cow Herd!

15

Pryor Donor 312

Female Calved: 2003 312

Sire: **STRICTLY BUSINESS**
Dam: **ANGUS**

AI 5/25 to Hollywood – PE to Hollywood 5/25-6/26– Safe-in-calf

A gorgeous donor in the prime of her life! We're digging deep into our nest of young females to make this offering something truly special. This long fronted, boldly designed beauty is a strong producer in transplant and is the dam of a \$7,500 Heat Wave son from our 2007 pasture sale that later resold for \$15,000. She also gave us a \$3,750 daughter by Hollywood in 2008 and two replacement heifers. We'll miss this one – but that's our problem.

Lot 15

Lot 16

16

Pryor 202

Female Calved: 2002 202

Sire: **STRICTLY BUSINESS**
Dam: **ANGUS**

AI 5/25 to Hollywood – PE to Hollywood 5/25-6/26– Safe-in-calf

Another production powerhouse that will be hard to see go, this young cow gave us two daughters for our keeper pens and a son by Heat Seeker that sold for \$5,000 to Colorado in our 2005 pasture sale. She is as flashy and stout as any we have!

Lot 17

17

Pryor 535

Female Calved: 2005 535

Sire: **RSVP**
MGS: **STRICTLY BUSINESS**

AI 6/25 to Hollywood – PE to Hollywood 6/27-8/01– Safe-in-calf

A perfect three-year-old by RSVP, young cows like this will never do you wrong. We love the look and shape of this young one. She milks well and is set to blast off with Hollywood!

NOTE ON BREEDING INFORMATION FOR PRYOR FEMALES:

Please see the update sheet at the auction or ask for more details on pregnancy status. All females have been examined for pregnancy.

18

Pryor 305

Female Calved: 2003 305

Sire: **STRICTLY BUSINESS**
Dam: **ANGUS DONOR 85**

AI 6/25 to Hollywood – PE to Hollywood 6/27-8/01– Safe-in-calf

An ET daughter of the 85 Angus donor that we own with Went Blacks, NE, this cow is sure to please. She does everything you'd expect, and she has a tremendous daughter in the sale that sells here!

18A

Pryor 631

Female Calved: 2006 631

Sire: **JOHNNY CASH**
Dam: **PRYOR 305**

AI 5/25 to Hollywood – PE to Hollywood 5/25-6/26– Safe-in-calf

An awesome youngster! In a unique offering, Adam is turning loose nearly all of his second-calvers and this one will rank with the best you'll find anywhere. She did a top job with her first calf and she responded by breeding early and bulking up like a pro. She is massive and sturdy with great balance and width. She'll be a superstar!

19

Pryor 807

Female Calved: 1998 807

Sire: **MEYER 734**
Dam: **ANGUS**

AI 5/25 to Hollywood – PE to Hollywood 5/25-6/26 – Safe-in-calf

A proven source of quality, this 10 year old 734 daughter is sound as a dollar and very giving. We have three daughters by Strictly Business in our herd – one of them is nursing our best fall steer (a Hollywood son) that is headed to Oklahoma soon – and she hit the jackpot with Hollywood last fall when she weaned a \$3,750 son that sold to northern IA. She'll do it again!

20

Pryor 438

Female Calved: 2004 438

Sire: **GARTEN'S 3-D** (by Meyer 734)
Dam: **ANGUS**

AI 6/26 to Hollywood – PE to Hollywood 6/27-8/01– Safe-in-calf

A fantastic, young daughter of 3-D that only calved once on our place, this cow sure looks the part, and she works well. We made a commitment to share these good females but we'd sure like to try this one again. Her sisters have made some top-shelf producers, and this one has all the parts. Hollywood will help her over the hump!

Pryor 490

Female Calved: 2004 490

Sire: **SIMMENTAL**
Dam: **ANGUS**

AI 6/09 to Hollywood – PE to Johnny Cash 6/27-8/01– Safe-in-calf

The 2007 daughter from this model producer by Paddy O'Malley sold to Went Blacks, NE, for \$2,000; and we kept another excellent daughter by Hollywood. She knows how to do her job, and she does it well.

Lot 32

33

Pryor 356

Female Calved: 2003 356

Sire: **NUTT-N-BUTT BUSINESS**
Dam: **ANGUS**

AI 6/10 to The Unforgiven – PE to Johnny Cash 6/27-8/01– Safe-in-calf

Our Nutt-N-Butt Business daughters have been some of our best producers. This is a deep, stout one, and she raised a \$2,000 son by Heat Wave in 2006.

Lot 34

34

Pryor 130

Female Calved: 2001 130

Sire: **STRICTLY BUSINESS**
MGS: **PAYBACK**

AI 6/26 to Hollywood – PE to Hollywood 6/27-8/01– Safe-in-calf

Stout and thick with style and extension...Hollywood will do the rest!

35 Pryor 149
 Female Calved: 2001 149
 Sire: MEYER 734 X MAINE ANJOU
 Dam: ANGUS

AI 5/25 to Hollywood – PE to Hollywood 5/25-6/26– Safe-in-calf

One of the most consistent cows we run, this young Sim x Maine x Angus cow just flat does the job. She has two outstanding daughters in the sale – one is Lot 35A and the other is Lot 11 – and we have two more full sisters to Lot 35A in our herd. This cow is complete and feminine, and she delivers with a punch!

35A Pryor 405
 Female Calved: 2004 405
 Sire: STRICTLY BUSINESS
 Dam: PRYOR 149

AI 6/26 to Hollywood – PE to Hollywood 6/27-8/01– Safe-in-calf

A way-cool, stout one with power and pedigree that will last. She is literally just getting started, and we expect her to pay her way with this one by Hollywood!

36 Pryor 51
 Female Calved: 2006 51
 Sire: NUTT-N-BUTT BUSINESS
 Dam: ANGUS

AI 6/25 to Hollywood – PE to Hollywood 6/27-8/01– Safe-in-calf

The young power abounds here! Each of these 2006 models weaned a healthy, strong calf this summer and each has bred back early to Hollywood. This one is a favorite of ours and she'll likely be one of yours once you see her. If she isn't the freakiest haired Nutt-N-Butt daughter you've seen, then we want to see one that beats her. Sound and powerful with great promise!

37 Pryor 633
 Female Calved: 2006 633
 Sire: RSVP
 Dam: ANGUS

AI 6/25 to Hollywood – PE to Hollywood 6/27-8/01– Safe-in-calf

An unreal second-calver by RSVP! You do not find many this young with this much body mass and power. Her first calf is an excellent replacement by Northern Improvement. She'll be one we'll regret selling because we'll likely try to buy her and/or her calf back before long. It's happened before!

NOTE ON BREEDING INFORMATION FOR PRYOR FEMALES:
 Please see the update sheet at the auction or ask for more details on pregnancy status. All females have been examined for pregnancy.

Female Calved: Spring 2007 4602

Sire: AMMO

Dam: DSUL JORDIN 4602 (FULL THROTTLE X DSUL/GK CHILL FACTOR 602G)

AI 5/24 to Totally Tuned – PE to DSUL Smokin Meyer 6/09-4/29– Too close to call - Est. due date 3/12

The next three bred heifers were all produced from daughters of 602G; their dams are full sisters by Full Throttle. This Ammo daughter is a real breeding piece. We love her muscle and showy look. Her young maternal sister is fantastic and will be featured next year and her dam has just entered ET – her first eggs sell here.

Lot 58A – Embryos of DSUL Jordin 4602

Four embryos by Heat Wave

Available for pickup or shipping sale day

Lot 58B – Embryos of DSUL Jordin 4602

Four embryos by Heat Wave

Available for pickup or shipping sale day

The first embryo offering from the up-and-coming Jordin 4602! A fall-born full sib is awesome!

59

DSUL Lucky Lucy 46

Female Calved: Spring 2007 46

Sire: ALI

Dam: DSUL LUCY 46 (FULL THROTTLE X DSUL/GK CHILL FACTOR 602G)

AI 5/24 to The Witch Doctor – PE to DSUL Smokin Meyer 6/09-4/29– Safe to AI - Est. due date 3/01

The only Ali daughter from the 602G family, this heifer has a first-calf dam in our fall program that is sensational! She is genetically predictable and bred to produce a high-Maine first calf. Check the extra fleshing ability combined with the 602 style!

60

DSUL Miss Maranda 42

Female Calved: Spring 2007 42

Sire: TOTALLY TUNED

Dam: DSUL MARANDA 42 (FULL THROTTLE X DSUL/GK CHILL FACTOR 602G)

AI 5/24 to Northern Improvement – PE to DSUL Smokin Meyer 6/09-4/29– Est. due date 3/21

A power freak with all the high-tech equipment you'll need! This is why we love the 602G line – they are consistently excellent and occasionally amazing. This one is blessed.

DSUL Heather 828-1

Female Calved: Spring 2007 828-1

Sire: HEAT WAVE

Dam: JESSICA 828 (MEYER 734 X ANGUS)

AI 5/24 to Grizz - PE to DSUL Outlaw 6/09-4/29 - Safe to AI - Est. due date 3/01

An awesome female from an awesome line of cattle! This sale attraction is one of five daughters of the great Jessica 828 donor that we'll sell and one of three full sisters to the \$10,000 top-selling bred heifer in our 2008 Spring Cow Herd Sale. Another full sister sold for \$4,300 a year ago and the top-selling open heifer in our 2008 Power In the Blood Sale was a \$7,500 full sister, as well. This is one exciting, consistent family!

61B

DSUL Camilla 828-2

Female Calved: Spring 2007 828-2

Sire: HEAT WAVE

Dam: JESSICA 828 (MEYER 734 X ANGUS)

AI 5/24 to Aberdeen - PE to DSUL Smokin Meyer 6/09-4/29 - Est. due date 3/20

The Jessica 828 cow is fast becoming a superstar at Sullivan Ranch. Her genetics are true as she always puts her progeny at the top of each calf crop. She is not your typical Meyer 734 as she is a little bigger with more power and body combined with a super cool neck and smooth shoulder, yet she is very sound. She is a perfect mate for Heat Wave as you can see by her daughters that sell here and if you saw the exciting Heat Wave steer that sold in our spring 2007 sale to Shane Geist, CA. This heifer offers complete power and cutting edge looks! She is built wide and true from the ground up and she is bred to go the distance!

61C

DSUL Jessica 828-5

Female Calved: Spring 2007 828-5

Sire: HEAT WAVE

Dam: JESSICA 828 (MEYER 734 X ANGUS)

AI 5/24 to Lut - PE to DSUL Smokin Meyer (Meyer 734 x Calamity Jane 829) 6/09-4/29 - Safe to AI - Est. due date 3/01

Maybe the stoutest of the three full sisters to the \$10,000 top-selling bred heifer in our 2008 Spring Cow Herd Sale, this wide and eye-catching heifer is another one that you need to see. A full sister sold for \$4,300 as an open heifer a year ago and the top-selling open heifer in our 2008 Power In the Blood Sale was a \$7,500 full sister, as well. Another full brother sold for \$3,400. This is a great family!

61D

DSUL Tina 828-3

Female Calved: Spring 2007 828-3

Sire: DSUL TIDAL WAVE

Dam: JESSICA 828 (MEYER 734 X ANGUS)

AI 5/24 to Aberdeen - PE to DSUL Smokin Meyer 6/09-4/29 - Est. due date 3/23

One of two daughters of Jessica 828 by the Lot 2 sire, DSUL Tidal Wave, this brockle-headed headed honey is very, very cool and powerful. She is a three-quarter sister to Lots 61A-61C, and she has as much look and power as any of them. Donor potential!

61E

DSUL Cammi 828-4

Female Calved: Spring 2007 828-4

Sire: DSUL TIDAL WAVE

Dam: JESSICA 828 (MEYER 734 X ANGUS)

AI 5/24 to Aberdeen - PE to DSUL Smokin Meyer (Meyer 734 x Calamity Jane 829) 6/09-4/29 - Too close to call - Est. due date 3/12

Hard to pick from these. Expect them to milk and make top cows. This one is way stout and attractive with unreal feet and structure. She is a great example of the quality to expect from Tidal Wave. Two shots of strong 734 goodness in her pedigree!

Two Daughters of HooDoo Lizzy 2069!

62A DSUL Tara 2069-1

Female Calved: Spring 2007 2069-1

Sire: **LIFELINE**

Dam: **HOODOO LIZZY Z2069** (HOODOO SANDCREEK 9045 X MS HOODOO GEORGIE-BOY Z8068) 9045 X MS HOODOO GEORGIE-BOY Z8068)

AI 5/24 to Grizz – PE to DSUL Outlaw 6/09-4/29– Safe to AI - Est. due date 3/01

Serious smokey power! Lot 62 offers two exceptional daughters of the great Hoo Doo Lizzy 2069, the same cow that produced the Lot 3 mature herd sire in this sale and a string of smokers including DSUL Lexis, the Champion Charolais of the 2007 Iowa Beef Expo, Champion Charolais Female of the 2007 American Royal and the Iowa State Fair, and Reserve Champion Charolais Female of the 2007 Aksarben Livestock Show and NAILE for Luke Elder. The first flush of her dam produced DSUL McSteamy and DSUL McDreamy and Luke's heifer and the next produced this pair of powerhouse donors. They are something to see and better to own!

62B DSUL Trisha 2069-2

Female Calved: Spring 2007 2069-2

Sire: **LIFELINE**

Dam: **HOODOO LIZZY Z2069** (HOODOO SANDCREEK 9045 X MS HOODOO GEORGIE-BOY Z8068)

– Selling one-half interest with the option to double hammer price to acquire full interest

AI 5/24 to Grizz – PE to DSUL Outlaw 6/09-4/29– Est. due date 3/20

Another heavy-hitter from the great Lizzy 2069, this heifer is a mirror image of her full sister. Both of them offer real power without compromise. Their full sister was a winning show heifer for Spencer Roberts, Gober, TX and another sold for \$6,300 last winter. Power and eye appeal from a cow family that will get more valuable every day! Wow!

6/09-4/29 – Est. due date 3/21

The only living full sister to Mimms Cattle's famous DSUL Kathy 503K donor that was a \$10,000 top-seller of the 2005 Genetic Progress Sale, this is an excellent heifer with one of the most time-tested pedigrees we can offer. Her sisters have won everywhere – from Louisville to Houston and everywhere in between – and we could literally write a book on the successful history of this 28D family. The latest example is a daughter by Ladies Man that brought \$10,000 in our 2007 female sale. DSUL Maria 28D is our go-to-girl for genetic consistency and quality every time!

DSUL Kathy 503K - Cookie Monster x 28D

Sire: **HEAT WAVE**

Dam: **DSUL 1ST KISS** (CHAZ FIRST CHOICES X DSUL NIKKI 105F)

AI 5/24 to Northern Improvement – PE to DSUL Smokin Meyer 6/09-4/29– Safe to AI – Est. due date 3/01

The Limousin cows have paid plenty of bills around Sullivan Ranch and, while we don't have many anymore, the ones that remain are as powerful and proven as any of our other cows. DSUL First Kiss 332 is one of the very best and this trio of daughters will serve you well for many years. This heifer is especially stout and sexy. Her sisters and brothers have gathered an awesome array of hardware including Grand Champion Limousin Heifer of the 2008 San Antonio Stock Show, and Grand Champion Scramble Heifers of both the 2004 and 2007 Houston Livestock Show where they beat the crossbreds plus the Grand Champion Limousin Heifer of the 2004 Houston Livestock Show and the Reserve Champion Limousin Female at San Antonio that same year. Safe to Northern Improvement, this heifer is investment grade!

A full sister to a favorite heifer that sold in our 2008 Spring Cow Herd Sale and was later resold for a big profit, this heifer is a brockle belly dragger with big time appeal. Her dam cranks out the quality and this heifer will do the same. Make sure you find this one. The 415 Donor ranks as one of our all-time leading revenue producers and has never missed with any sire she has been mated to. You cannot go wrong here!

65C

Embryos of K- Meyer 415

Four embryos by Hoo Doo George

Available for pickup or shipping sale day

George is a purebred Charolais – 100% Hoo Doo son of Hoo Doo Prince – that was the top-seller of Kris Blacks 2007 bull sale. He is siring more power and mass than Prince and will produce a calf much like the Prince x 415 heifer that brought \$4,800 in our 2008 sale.

3C Donor 9081...Lasting Power!

66A

DSUL Sally 9081-3

Female Calved: Spring 2007 9081-3

Sire: MEYER 734

Dam: 3C 9081 (TOTAL X 3C MISS 153)

AI 5/24 to The Witch Doctor – PE to DSUL Outlaw 6/09-4/29– Safe to AI - Est. due date 3/21

9081 was a legend at Christensen's 3C Ranch in South Dakota for many years - 17 of them to be exact. Longevity is bred into this cow family and 9081 was never flushed at 3C although she proved herself year after year. She was always bred to Meyer 734 and she consistently put her calf at the top end of each 3C sale. Her most famous daughter was 389G, a great donor for Sullivan Farms, IA, and the dam to four of the best heifers in this sale. We lost 9081 this past summer at 20 years of age but she lives on with these great daughters. Own as many of them as you can get – they will pay for themselves time and again!

A full sister to Lot 66A

66B

DSUL After Me 9081-2

AI 5/24 to Grizz - PE to DSUL Outlaw 6/09-4/29- Safe to AI - Est. due date 3/01

A real looker from the ultra-productive Barbie 9122 donor, this is the first of a pair of gorgeous sisters that we know will make great producers. Their fertile dam is one of the all-time elite performers in a rich history of elite performers at Partisover Ranch, GA, where a daughter, Star Barbie 3242, remains as a leading donor. The success of this family in Simmental circles is amazing. Daughters by 3C Macho were selected as the Champion and Reserve SimAngus Heifers of the 2007 Tulsa State Fair, a Division Champion of the 2007 American Royal, Champion SimAngus of the 2007 Georgia National Fair, and Reserve Champion SimAngus of the 2007 OKC Spring Livestock Show. Additionally, full sisters to the trio of daughters selling here sold for \$6,000, \$5,600, and \$4,500. Another is popular donor, Partisover PartiGirl 9105R, for Bonnell Farms, IN.

68B DSUL Barbie 9122-3

Female Calved: Spring 2007 9122-3

AI 5/24 to Total Solution - PE to DSUL Outlaw 6/09-4/29- Safe to AI - Est. due date 3/01

Deep, high-capacity, and oh so gorgeous, this Meyer 734 daughter from the Barbie 9122 donor is some of her best work - both of these heifers are. This is the right kind to start with and she will be around a while. Her sisters have been customer favorites and multiple winners and they keep right on winning in the pasture. Safe to Total Solution!

Lot 68A

3C Miss D-14...Foundation Power!

3C Miss D-14

69A DSUL Lady Meyer 14-7

Female Calved: Spring 2007 14-7

Sire: MEYER 734

Dam: 3C MISS D-14 (3C UK X MAD DUCK 7360)

AI 5/24 to The Witch Doctor – PE to DSUL Outlaw 6/09-4/29– Safe to AI - Est. due date 3/01

Two Meyer 734 donor prospects from the great 3C Miss D-14, this deep, thick heifer is a maternal gem that will last. Last December we sold a pen of five full sisters to these heifers to a Denison, IA, customer – he loves them. Their dam was one of three foundation Christiansen's 3C Ranch donors that we purchased to add more power to our maternal base. D14 is one of the best Angus cows we have ever worked with. Everything – every calf – we have gotten from her has been quality. Safe to The Witch Doctor, this one will not disappoint!

69B DSUL Star Dust 14-8

Female Calved: Spring 2007 14-8

Sire: MEYER 734

Dam: 3C MISS D-14 (3C UK X MAD DUCK 7360)

AI 5/24 to The Witch Doctor – PE to DSUL Outlaw 6/09-4/29– Safe to AI - Est. due date 3/01

Another deep, thick, totally sound masterpiece from the D-14 donor that always delivers quality. Three full brothers to these heifers sold in our 2007 Genetic Progress Sale for a \$2,600 average to Greg Sanders of Franklin, TX, and the five heifers we sold last year averaged only \$1800 – a great value. Three earlier daughters of D-14 had been features of past 3C sales where all three of them sold with the top to Ray Farms, IL, and Sullivan Farms, IA.

The G1 Legacy...

70

Samaya G1-4

Female Calved: Fall 2006 G1-4

Sire: HEAT WAVE

Dam: GK DONOR G1 (CHAROLAIS CROSS)

– Selling one-half interest with the option to double hammer price to acquire full interest

AI 5/24 to Grizz – PE to DSUL Smokin Meyer (Meyer 734 x Calamity Jane 829) 6/09-4/29– Safe to AI - Est. due date 3/01

Nothing but the best from Sullivan Ranch! Samaya G1-4 is a genetically potent, physically brilliant daughter of the famous Kroupa G1 donor that has produced as many champions, stud bulls, and donor females as any Charolais cow in the country. Sisters to this heifer include the \$40,000 valued GK Miss Outlaw M51 that is owned by Boyssel Cattle Company, OH, and Kroupa Cattle, SD; DSUL Gabrielle G1-1 that sold one-half interest for \$12,500 in the 2007 Sullivan Ranch Genetic Progress Sale; Sylvia 6, the \$22,000 valued top-seller of the 2008 Genetic Progress Sale; DSUL Miss Priscilla 268, owned by Tommy Morrison, TX, and another pair of sisters by Full Flush are the \$35,000 top-selling female of the 2007 Sweetheart Sale and a dominant show heifer owned by the Gregory family in Oklahoma.. Maternal brothers include the popular AI sires White Lake and Get Smoked and numerous other top-sellers. The influence of the G1 donor may be felt far and wide in the show cattle business and, along with her progeny, this family of cattle has generated as much money as any in the business. In fact, the \$21,000 top-selling steer of the 2008 Sullivan Cattle Company Pasture Sale was produced from a Full Flush x G1 daughter bred to Heat Wave.

Dam: 3C ZEKE 407 (DJ ZEKE X CAFFEE TRAVELER 07)

AI 5/24 to The Witch Doctor – PE to DSUL Outlaw 6/09-4/29– Est. due date 3/20

Get a piece of Zeke 407, the best kept secret at Christensen Bros. in South Dakota and now a dominant donor at Sullivan Ranch. We don't think there is a more proven cow when it comes to producing Meyer 734 daughters than this long fronted beauty. She was never flushed by the Christensen Family but they bred her to 734 every year and every year her calves were among the highest sellers in their sale. Two famous daughters, K01 and K02, have proven themselves as the top producers in the NLC club calf sales and both sold two years ago for \$14,000 and \$10,000. Our 2007 sale featured two daughters by Meyer that brought over \$4,250 each. This heifer is very big ribbed and smooth with extra bone and good hair.

MIMMS DONOR 023
PAYBACK X THE WITCH DOCTOR

AI 5/24 to Aberdeen – PE to DSUL Smokin Meyer 6/09-4/29– Est. due date 3/22

A direct daughter of Mimms Donor 023 that is now owned by Deiter Elbert, IL, this big barreled heifer is the right kind. She offers a uniquely loaded pedigree with great bone, crazy hair, and extreme length of front. Her dam is a massive machine that cranks out the power regardless of what she is mated to.

Young Power Players...

79 **DSUL Sadie Hoo 634-1**

Female Calved: Spring 2007 634-1
 Sire: **HOODOO PRINCE** (CHAROLAIS)
 Dam: **SADIE 63HF** (FOREPLAY X ACAF MISS 24)

AI 5/24 to Chill Factor – PE to DSUL Smokin Meyer 6/09-4/29– Est. due date 3/19

A smooth, smoky sensation from the great Sadie 634, this heifer is the first of her kind – and it is the right kind! When you ask Dan to name the best cows he has ever seen and/or worked with in his life, Sadie 643F is always in the conversation. The top-selling female of Terry Abernathy's Dispersal in 1999, Sadie 634 does everything right and she works with everything. Her most famous daughter is DSUL Sadie Lady 0634K, the \$20,000 top-seller of the 2006 Holiday Classic Sale for Tolle Show Cattle, KY. Our 2007 Genetic Progress Sale featured a gorgeous daughter by Meyer 734 that sold for \$8,800 to Ernest Fulton, TX, and the very best heifer we raised in 2005 was another daughter by Meyer 734 that died just before our production sale that year. Sadie 634F has also produced a \$9,500 son that was Reserve Champion Steer of the Ohio AGR Preview for the Gilbert family, OH, a daughter by Full Flush that sold for \$9,800 to Ray Farms, IL, and her sons by Cunia sold for a \$3,625 average to Atterholt Farms, OH, and Johnson Cattle, TX, along with a string of sons and daughters that averaged \$3,700 in our 2007 sale. This family earns and produces with the best of any we know of.

 Sire: **HEAT WAVE**
 Dam: **MIMMS/GK 43** (by Strictly Business)

AI 5/24 to Lut – PE to DSUL Smokin Meyer 6/09-4/29– Safe to AI - Est. due date 3/01

A full sister to the 2008 Star of Texas Grand Champion Steer, this ET heifer from the Mimms program is as purely gorgeous and powerful as we can make them. She is pure phenotypic gold with absolutely unreal top and hip shape, tremendous movement, and a look that makes you warm all over. Her incredible flush also produced the top crop at the Mimms Club Calf Auction in 2007 when brothers sold for \$56,000, \$30,000, and \$10,000 – all of them steers. "Wow" is not enough.

2008 Star of Texas

81

DSUL Fatty Patty 935-9

Female Calved: Spring 2007 935-9

Sire: **OCC DOCTOR**
 Dam: **MASTERFARE SARA 935 BY RALLY HI 5**

AI 5/24 to Northern Improvement – PE to DSUL Smokin Meyer 6/09-4/29– Safe to AI - Est. due date 3/01

The mark of any great donor female is her ability to produce consistent, upper-level quality with varying sires. Masterfare Sara 935 has proven herself to be a truly elite female as she has stood the test of time and continues to produce extreme quality with exceptional earning power. She is best known as the dam of the great WECC Jewel 010 (a.k.a. Fatty Patty), the top-seller of the 2002 West End Cattle Dispersal, the super-successful lead Angus donor at Double J Cattle, and the dam of a number of high-selling progeny. We sold four excellent daughters a year ago and this heifer is one of the longest necked and stoutest we've gotten from this flush.

AI 5/24 to Totally Tuned – PE to DSUL Smokin Meyer 6/09-4/29– Too close to call - Est. due date 3/12

Here is a sweet and high-potential daughter of the well-proven Abby 713G donor by the Lot 2 herd sire, Tidal Wave. This heifer is very thick and long necked and loaded with genetic power. We purchased her dam as the \$14,000 top-seller of the 2004 Z-Town Classic Sale and she has proven to be a great investment. Bred in the same herd as our great Sadie 634F donor, 713G has worked with everything, and they keep getting better. A son by Heat Wave was an \$11,750 prospect in 2006 and went on to win several times for Celeste Martin, IN, including a selection as the Reserve Champion Chi Steer of the 2007 Indiana State Fair. Other sons by Heat Seeker were the \$3,500 and \$3,000 herd sire selections for Sycamore Ranch and RLR Cattle, TX. Her daughters include a \$4,900 Meyer 734 bred heifer in the 2006 Exposure Sale and a \$3,000 full sister in the 2005 Genetic Progress Sale to Greg Sanders, TX as well as a \$2,800 Heat Wave heifer to Jimmy Jordan, TX. 713G is proving herself to be one of the best females we have worked with.

DSUL Fancy 151-1

Female Calved: Fall 2006 151-1

Sire: **HANNIBAL**
 Dam: **3C FANCY PANTS 151 (MEYER 734 X ANGUS)**

AI 5/24 to Lut – PE to DSUL Smokin Meyer 6/09-4/29– Too close to call - Est. due date 3/10

A freaky, stout daughter of the super-productive Fancy Pants 151 donor we sold in our 2007 Spring Cow Herd Sale for \$7,250 to Luke Spencer, IA. This heifer is a full sister to DSUL Abigail, the superstar heifer that topped our fall sale at \$22,000 and later was selected as the Champion Female of the 2005 Oklahoma State Fair for Bailey Buck, OK. A brother by All About Who sold for \$3,750 and her dam has been very consistent. Flush this one to Heat Wave!

84

DSUL Meyer 90-11

Female Calved: Spring 2007 407-11

Sire: **MEYER 734**
 Dam: **VH DONOR 90 (ANGUS)**

AI 5/24 to The Witch Doctor – PE to DSUL Outlaw 6/09-4/29– Est. due date 3/21

Bred in the Van Hove program, SD, this heifer is a daughter of the 90 Angus cow that has done an excellent job. Her dam is the old-fashioned Angus female filled with guts and bone. This heifer is a cowman's delight with her wide cavity, large bone, and totally feminine look.

85

DSUL Miss Little Debbie 89-1

Female Calved: Spring 2007 89-1

Sire: **HEAT WAVE**
 Dam: **DEBRA 89K (FOREPLAY X ANGUS)**

AI 5/24 to Abreben – PE to DSUL Smokin Meyer (Meyer 734 x Calamity Jane 829) 6/09-4/29– Est. due date 3/20

This was the hairiest, stoutest, coolest heifer as a baby and she still looks different and exciting. She is bred up with power from a dam that was a Sullivan show heifer that did quite a bit of winning. This heifer is big and stout with tremendous bone and excellent movement.

The Cows Make the Difference!

86

DSUL Skittles 86Z

Female Calved: Spring 2007 86Z-1

Sire: **BLACK RHINO** (FULL FLUSH)
 Dam: **DSUL CRYSTAL 867** (MEYER 734 X ANGUS)

AI 5/24 to Northern Improvement – PE to DSUL Smokin Meyer 6/09-4/29– Too close to call – Est. due date 3/10

A long fronted, power hipped full sister to the Champion Chi steer at San Antonio 2006, this daughter of the famous 867 donor is a favorite from the group. Three Heat Wave sisters sold last fall in the Power In the Blood Sale for \$4,200, \$3,100, and \$2,900 and brothers have been \$5,500, \$7,000, and \$3,100 features. Aside from the San Antonio winner, another 867 son by Hurricane was a class winner in the AOB Division of the 2004 Houston Livestock Show for Logan Lastovica. This heifer will make a real club calf producer as she matures!

Our customers know the value of these 007 daughters – they have been doing the job for us and our customers for several years. This one is special, remember her. She was Dan's pick of the 250 Meyer granddaughters as an open last year and this year the same cow – Super-mom 12 – raised his favorite heifer again. He sorted 88 heifers out of 350 and this family came through again. This is a black brockle with all the right parts to perform on a high level.
